

ONE DAY

to CHANGE *our* COMMUNITY

*For I was hungry and you gave me something to eat,
I was thirsty and you gave me something to drink,
I was a stranger and you invited me in. Matthew 25:35*

We are living through dark and unprecedented times. Many have lost their jobs, businesses have closed their doors, bank accounts have been depleted, and lives have been lost. More than ever, we believe now is the time for the Light of Jesus to shine bright.

November 21st & 22nd we will once again be receiving a **ONE DAY OFFERING** at CrossCity. We realize that many in our church family are not in a position to give toward this 'over and above' offering. This offering is FOR YOU, we are not looking for anything FROM YOU.

Many in our church family are in a position where they are seeking out opportunities to tangibly reach the physical needs of those who are in real need. By giving **ONE DAY'S WAGE** to this special offering you will be tangibly reaching the physical needs of the less fortunate, and fulfilling the charge and teachings of Jesus in Matthew 25.
