Sock Drive

CrossCity hosted the Fresno Mission on our campus to break the longest sock line world record. Over 91,000 pairs of socks were collected and strung 7.4 miles to break the world record through citywide partnership.

Pregnancy Care Center Baby Bottle Fundraiser

CrossCity families contributed over \$12,000 in coin and currency in 500 baby bottles that were distributed during this annual campaign to support our local Pregnancy Care Center.

Afghanistan Assistance

Assistance provided to people in Afghanistan. CrossCity donated \$4,000 to aid Afghan families in crisis with food and critical supplies.

Mission to Haiti

Expanding the global outreach in a nation w/ real challenges (natural disaster/medical support, human trafficking, etc.). CrossCity began supporting three new ministry partnerships with Danita's Children, New Roots, and Blackbox International, and sent two pastors down in August to solidify partnerships.

Mexico/India/South Korea

With most international borders closed due to COVID restrictions, CrossCity did not have any short-term mission teams go visit our global partners but we continued to support them financially as they continued to spread the gospel.

Christmas Wishlists

CrossCity blessed our church and 4 of our local ministry partners (Youth For Christ, Parlier Church, Westside Church and Pinedale Elementary) with our annual Christmas Wishlist Program with nearly 2,000 gifts given to 400 children.

Bike Masters/Grill Masters

CrossCity had 8 local bike repair/BBQ outreaches and repaired over 200 bikes.

Also, the CrossCity Grill Masters team supported the Central California Food Bank and the Fresno Mission at their One Table event in downtown Fresno and assisted in grilling nearly 1,000 rib-eye steaks for the community!

Yard Masters

Our YardMasters Team was able to help our local Post Office with a total clean up and much needed beautification of the property grounds. Yard Masters also helped seniors and others in need across Fresno County.

Parlier Outreach

CrossCity provided a BBQ dinner for over 200 community members and 127 backpacks filled with school supplies were distributed to the Parlier community at their first public outreach since the onset of COVID.

CrossCity finished out the year by hosting the Parlier Church at their annual Christmas Party for the community. The event was an absolute success with parents receiving close to 400 wrapped Christmas gifts for their children, wonderful food and desserts for all, crafts for the kids and even a visit from Santa himself! The BikeMaster team was on hand to help with any bike repair as needed.
